

5 March 2008

To whom it may concern

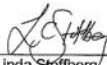

This letter serves to confirm that Jacobus Cornelius Kloppers was a fulltime contractor at Intec Cape Town between April 2004 – November 2005.

During his contract with Intec, he was involved in the following projects :

Period	Activity Description	Corné's involvement
April – August 2004	Interconnect Java support	Ongoing Level 3 support for Intec customers using Java skills.
September 2004 – February 2005	Interconnect integration component development for external interfacing to systems.	Developer using Java, SOAP & XML
March 2005 – August 2005	Partner Relationship Management development using Java, JSF, Tomcat, Oracle 10g reports.	Designing and developing of web pages accessing information in the Interconnect back end system.
September 2005 – November 2005	Element Based Charging rewrite using Java technology.	Designing and developing of the batch transactions that form part of the application.

I trust you find the above in order.

Regards

Linda Stoffberg
OSS Global Support Manager
